

Knowledge Network User Guide

Welcome Page

The Forum Welcome Page is the default page displayed before a user is logged in. The Knowledge Network Forum may consist of several sub-forums, although at the time of writing only one – General Questions had been created. Prior to registering and logging into the Forums it is possible to:

- Navigate Forums and view topics and posts.
- View the Active Topics list.
- Search Forums.

Registration Procedure

1. Click on the Register link. In order to proceed with registration it is necessary to agree to the Forum Rules / Disclaimer page.

Forum Rules and Policies

It is impossible for owners and operators of this forum to confirm the validity of all posts on this forum. Posts reflect the views and opinion of the author, but not necessarily of the forum owners and operators. If you feel that a posted message is questionable, is encouraged to notify an administrator of this forum immediately.

You agree not to post any abusive, vulgar, obscene, hateful, slanderous, threatening, sexually-oriented or any other material that may violate any applicable laws. Doing so may lead to you being permanently banned from this forum. Note that all IP address are logged and may aid in enforcing these conditions.

You agree that the owners and operators of this forum have the right to remove, edit, move or close any topic at any time should they see fit. As a user you agree to any information you have entered above being stored in a database. While this information will not be disclosed to any third party without your consent the owners and operators cannot be held responsible for any hacking attempt that may lead to the data being compromised.

This forum system uses cookies to store information on your local computer. These cookies do not contain any of the information you have entered above; they serve only to improve your viewing pleasure. The e-mail address is used only for confirming your registration details and password (and for sending new passwords should you forget your current one).

You agree not to use any automated tools for registering and/or posting on this bulletin board. By failing to obey this rule you would be granting us permission to repeatedly query your web server.

By clicking "Agree" below you will be bound by the terms and conditions for using this forum.

- Once the rules are accepted the 'Register New User Form' is displayed. To register you must supply a user name, password, email address and security question/answer. Please follow the password requirement guideline displayed when entering a password. In order to register it is necessary to enter the letters displayed in the security image (CAPTCHA). Once the details are complete click – 'Create User'.
